Albergo Milano - your home away from home, a little gem on romantic Lago di Como.

Charm and warm hospitality await you at Albergo Milano, Casa Rossa and Casa Gialla, located in the heart of Varenna, a quaint village with narrow cobbled streets on the shores of Lake of Como.

Our delightful and welcoming twelve rooms are each different with dashes of color and stylish furnishings. Most come with balconies or terraces and spectacular views - the perfect spot for incurable romantics to indulge the *Dolce Far Niente*, the sweet delight of doing nothing. The Ristorante La Vista & Bar surprises with fresh flavors and unforgettable vistas.
